## **SECURITY ENVIRONMENT IN THE COUNTRY**

### **What are we facing, what is the effect & what needs to be done?**

- Pakistan is faced with an environment in which the threat from criminal and terrorist activities is amongst the highest in the world. The citizens and government functionaries feel the vulnerability to a multitude of threats and suffer from a profound sense of helplessness. We are all worried about the poor security and law & order situation in the country. The people and the government need to find ways to ensure individual / collective security and security of areas / premises. They need early warning of any impending threat and the means to deal with a multitude of threats.

### **Why Safety and Security Services (SSS)?**

- The threats we are faced with today are multiple, varied and dynamic. For effective management of risk, it is imperative that you have a partner who has the expertise and the resources to reduce your vulnerabilities and minimize the risk so that you are free to do what you are supposed to. At SSS, we provide expert security services to protect you and your property. We will deliver innovative and made-to-order solutions that really meet your specific security needs.

## **INTRODUCTION – SSS**

### **(ISO-9001 & OHSAS -18001 CERTIFIED)**

1. We take this opportunity to introduce M/S Safety & Security Services (SSS) Company, a mission oriented security services organization operating in Pakistan, under license awarded by the Ministry of Interior, Government of Pakistan, since 1992. The Company has its head office in Rawalpindi/Islamabad and regional offices in Karachi, Lahore, Peshawar & Quetta, in addition to branch offices at Hyderabad, Multan, Faisalabad, Abbottabad, Gilgit/Baltistan Mirpur and Muzaffarabad.
2. SSS Company has been rapidly progressing over the last two decades and has earned an enviable position among other high profile security organization of Pakistan by rendering excellent services to various business entrepreneurs, multinationals, Government Departments and VIP/VVIPs.
3. SSS field force is drawn from among the best professional ex-service men of Pakistan Armed Forces/Para Military Forces having vigor, zeal and stamina. They invariably undergo periodic refresher cadres in Police training Centers, on rotation basis, in order to keep practical knowledge of their duties.
4. SSS provides quality security services to its worthy clients at very competitive rates. These rates have been structured for 8 hourly and 12 hourly shifts, but can be varied as per requirement.
5. Safety & Security Services (SSS) Company does not involve only in placement of guards at particular premises but round the clock back-up support upon relief/replacement and checks/counter checks are undertaken for ultimate satisfaction of the clients.
6. SSS Company believes in very personalized service and accommodates suggestions/recommendations upon areas of improvements. We, therefore, hope that you would give us a chance to demonstrate our professional abilities. Please feel free to give us a call for further information/clarification, as and when required or visit website [www.sss.com.pk](http://www.sss.com.pk).

**INTEGRATED SECURITY SOLUTION**

## **MISSION STATEMENT OF SSS**

**Provide the client with state-of-the-art means to ensure protection of life and property**

## SERVICES OFFERED & CLIENT BENEFITS

- **Specializations.** SSS operates in the following key areas:
  - Security Surveys and Consultancy for protection of life and property.
  - Installation and use of state-of-the-art surveillance and detection equipment linked to analytical software to give early warning of suspicious behaviour or intrusion into a no-go area.
  - Utilization of the latest access control and area denial devices to allow or restrict entry / exit of men or vehicles.
  - Provision of guarding and escort services for VIPs, VVIPs and important guests.
  - Sanitizing an area of explosives and undesirable Metal Instruments.
  - Providing protection during indoor / outdoor functions.
  - Provision of transportation and verification of existing and fresh hired services.
  - **Watch Guard.** A sister company deals in installation of Security Alarm Systems, with Monitoring and Response Services in collaboration with SSS Company.
  
- **Human Guards.** Superimposed with officers & supervisors, guards of the following categories are offered:
  - Security Guards (Armed & Un-armed)
  - Lady Security Guards
  - Judo/Karate Experts (Black belt holders)
  - Quick Reaction Force (QRF) – Mobile
  - Specially Qualified Guards for VIP Escort Services.

- **Security Equipment** We Offer the latest equipment for :-
  - Surveillance & Detection including Remote Monitoring.
  - Access Control & Area Denial including electronic fences.
  - Counter Surveillance & Debugging
  - Analytical Software integrated with Computers.
  - Security Alarm System. A GSM technology to secure your homes, offices & shops etc.
  
- **Client Benefits** Some of the benefits that will accrue are :-
  - Your assignment will be managed with the utmost confidentiality at all times.
  - After the initial enquiry and our subsequent survey of your assignment, a comprehensive written report will be sent to you.
  - An exclusive guarantee to inform you of any conflict of interests if our company is approached to carry out work for potential clients with the same interests as yours.
  - You will get top-of-the-line security. High quality manpower, backed up by the most modern equipment. An efficient management system is superimposed to ensure quick reactions and reduce security risks by eliminating blind spots in the security plan.

➤ **Clients Care**

- We will provide the replacement of security guard proceeding on leave.
- In case of customer dissatisfaction with any security guard, we will replace him for your convenience.
- Our senior security officers/supervisors will conduct random supervision checks to ensure consistency in service.
- When required, we shall be able to provide security guards for escort purposes.
- Our Company has good working relationships with the Police in all provinces. This is utilized for your best service.

**GUARDS, WEAPONS & EQUIPMENT**

➤ **Human Resource Management**

• **Selection of Guards**

- We take the utmost of care during the process of recruitment of guards. We are mindful that they are our representatives and the customers' total satisfaction is of paramount importance to us if we are to remain in business. We therefore select only the best applicants to represent us in front of our valued clients.
- Amongst our criteria for selection, we lay special emphasis on the following: -
  - We look for qualities of head and heart during the preliminary interview.

- We allocate additional marks for educational standards to select guard because we want an individual capable of executing his assignment and have a “thinking mind” in times of an emergency.
- All our guards must have an irreproachable character so that they are totally dependable. Verification and a ground check of selected guards is the hallmark of our process to minimize the risk factor.
- Retention and loyalty is ensured through welfare measures, payment of handsome salaries / allowances and by addressing their genuine complaints / problems at priority.
- **We do not hire good looking specimen off the streets.**
- **Pool of Manpower**
  - Trained Guards/Supervisors from Armed Forces.
  - Trained Guards/Supervisors from Civil Armed Forces.
  - Judo/Karate Black Belt guards.
  - Civilian OJT guards.
  - Lady Security guards.
  - Security staff IT qualified for monitoring computer records, e-mails etc.
  - Security officers exclusively trained to run large-scale security system of special clients.

- **Training & Welfare of Guards**
  - **Training.** It includes the following: -
    - Physical Training.
    - Weapon Training.
    - Personal Protection (escorting).
    - Premises & Asset Protection.
    - Rapid Reaction Force Training.
    - Fire Fighting.
    - Checking, Searching, and Report Writing.
    - Isolating an Area.
    - Evacuating an Area.
    - Terrorist activities & response.
  - **Welfare Measures.** Our welfare scheme includes the following
    - **Medical Cover.** On duty and in living camps.
    - **Qualification Allowance.** For additional qualification and courses and education.
    - **Leave.** 32 days leave or encashment.
    - **Overtime Allowance and Salaries.** In case of extended duty in an emergency.
    - **Excellent / Comfortable Uniform Items.** As per requirements of the area / station.
    - **Insurance.** To cover the risks i.e. injury / death / loss while on duty due to accident or external action.

- **Obligations of Labour Department.** The company fulfils all the obligations and responsibilities with regards to Labour Department as under :

- Payment of Old Age Benefit allowance.
- Payment of Social Security charges.
- Pay/Allowances are paid in accordance with the law.

➤ **Weapons & Equipment**

- **Weapons** Following authorized weapons are used:-

- Pump Action shot guns (Repeaters).
- 12 Bore Single Barrels.
- 7 mm Rifle.
- 32 Bore Revolver.
- 30 Bore Pistol.

- **Communications**

- Wireless Equipment (PTA Licensed)
- Cell Phones
- Couriers on motorcycles
- Central Communication Control Room

- **Technical Equipment**

- CCTV cameras & monitors.
- Search light/security lights.
- Electronic gates.
- Electronic sweeping devices.
- Digital display warning and awareness boards.
- Alarm systems: -
  - Analytical Software.
  - Fire Alarms.
  - Intruder alarms.
- Metal Detectors.
- Security Alarm System.

- **Transport**
  - Cars
  - Vans
  - Pick ups
  - Trucks
  - Motor Cycles

## **SSS TEAM, ORGANIZATION & CONTACTS**

### **❖ Overview of SSS**

The company started its operations during 1992 in Pakistan and during 2003 in the United Arab Emirates. We strive to provide integrated security solutions to our clients and are partners with world renowned firms who are leaders in their respective fields.
